
LEP- Learning Camp- Book Distribution

CRCC, BRCC training

Agenda

Overview of books for Ujjwal and Utthan for this Learning camp

10 mins

Role and Key best practices for CRCC and BRCC in the book distribution process

15 mins

Group discussion to outline any other issues that are faced

10 mins

Presenting/asking the solution to the issues to the trainer

15 mins

Recap: LEP structure & overview for 2019

UJJWAL

Mostly same structure, lower grade competencies covered in more detail.

Ujjwal 1

- ALL Students of class 2 & 3
- Students of class 4 & 5 who are behind grade level

Ujjwal 2

- Students of class 4 & 5 who are at grade level

UTTHAN

Updated structure with focus on material to help pupils behind grade level.

Utthan 6/7/8

- Students of class 6, 7 & 8 who are behind grade level

Utthan 6

- Students of class 6 who are at grade level

Utthan 7+8

- Students of class 7 & 8 who are at grade level

- In Students will be grouped in these levels as per competencies achieved (in both Ujjwal & Utthan)
- Grouping to be done SEPARATELY for each subject

LEP book distribution process happening along with NT Books

Each block will receive the LEP books (all titles) along with the NT books for this year

Book distribution to happen for both books by March end, the number of books required have been sent according to the list shared in December 2018

Attn BEO and BRCC: A Book distribution portal has been prepared by the NIC where you need to indicate the books received from TBPM and also mark number of books that have been distributed to clusters/schools

In case all books are not received by 25th March- please highlight the same to OPEPA, and distribute the ones received

In case there are extra books left- please indicate the same so that they can be distributed to other deficit blocks

Best practices for CRCC's role in the LEP book distribution

Your help will be needed to smoothen the process for the schools

Since this is the first time that the NT books and Ujjwal/Utthan books are being circulated together- and the time before we start the program (April 2nd) is limited.

Here are a few things that you can do as a CRCC:

1. Collect and distribute all the books to schools according to the requirement shared in December 2018
2. Get a report of the excess or deficit of books from all schools in your cluster, post distribution
3. During the Learning camp- check whether the books received by the school have been distributed to students
4. List the books (and titles) needed by the school (in the format on next page)- also note if there are extra books in some school
5. Redistribute the extra books in some school to the schools where there is need
6. Share a total requirement list across all LEP titles to the Block

Requirement and excess report for Ujjwal books

School Name	Ujjwal Odia 1		Ujjwal Math 1		Ujjwal Odia 2		Ujjwal Math 2		Ujjwal English	
	Excess	Deficit	Excess	Deficit	Excess	Deficit	Excess	Deficit	Excess	Deficit
School 1	0	6	5	0	3	0	0	0	0	0
School 2	4	0	0	3	0	2	0	0	0	0
School 3										
School 4										
...										
...										
...										
...										
...										
...										
...										
...										
Total Cluster										

Transfer books from
School 2 to School 1

Total deficit (per title) after transferring books within cluster- should be shared with the BEO to help get additional books

Group discussion

Divide into
groups of 6-8 to
discuss and
note

1. What are the key issues that you have faced in the book distribution?
2. How some of you have overcome these issues to ensure book delivery?
3. What challenges do you foresee in the LEP (Ujjwal and Utthan) book distribution this year?
4. What support is needed from the Blocks/Districts for ensuring the same?

List all these- and nominate one person to share back with the larger group

Q&A
